

Need help buying groceries or paying bills.....

Need more benefits? Like

- ❖ Health Insurance
- ❖ Food Stamps
- ❖ Prescription Assistance

Then we can help!!!!

What is EarnBenefits?

The *EarnBenefits* program is partnered with your organization to help families get free/low cost benefits and services to increase your income and reduce social and financial stress that may be keeping you from getting a job, staying employed or getting ahead professionally.

How does it work?

An individual makes an appointment with an *EarnBenefits* counselor for a 20 minute computerized screening. Through asking questions such as income and household size, the counselor can determine what benefits you are eligible for and also assist you in applying for those benefits.

How do I get started?

To make an appointment for a screening or a face-to-face meeting contact one of our *EarnBenefits* counselors: _____.
